

## Call for Host Families for Visiting Chinese High School Students (February 12-19, 2018)

Dear U-Prep families,

As part of the exchange program between China and United States, a group of Chinese high school students will be visiting Redding February 12th – 19th, 2018. They are going to attend classes, have interactions with our students and bring in new ideas and perspectives to our community.

U-Prep is in need of host families to host 33 visiting Chinese students. A host family is a vital part of the cultural exchange. By opening your home and heart to a student from overseas, you and your family will gain a new global perspective, many memories, and, quite possibly, a new family member for life. We hope a host family can help host 1 or 2 students for about 7 nights (from the evening of Monday, Feb. 12th to the morning of Monday, Feb. 19th, 2018). These students will follow the school schedule of your child, so there is no extra burden on your part to send them to school. To show their appreciation, Chinese students have prepared lovely gifts from China for the family. As part of the exchange, U-Prep students will be, upon approval of the board, going on a service-learning trip to China in the summer of 2018, for which a substantial part of the costs would be subsidized by the exchange program. Interested students of the host families are encouraged to apply.

Thank you in advance for your hospitality. If you'd like to help or have any questions, please feel free to contact me.

Sincerely,

Biao Cheng
