

School Board: President – **Karen Hatter** ♦ Vice President- **Sue Brix** ♦ Members – **Mike Stuart, Susan Saephanh, Mike Littau**

March 20, 2017

Dear Parents and Students,

Our entire 6<sup>th</sup> grade class is scheduled to attend a tour of Lake Shasta Caverns on Friday, May 5<sup>th</sup>, 2017 as our science field trip this year. This is an all-day event (departure is approximately 9:45am from school and return is approximately 3:15 pm back to school). **Due to limitations on the number of chaperones allowed on the tour, we only need 15-20 chaperones. Chaperones may attend the field trip at no cost. Only return the slip below if you are interested in chaperoning this trip.**

Please mark the box at the bottom and add your contact information. Have your student return this letter to their science teacher (Mrs. Hurley or Mr. Peck) no later than April 7, 2017.

Please feel free to contact me (Connie Hurley) with any questions or concerns. I will follow up with those interested in chaperoning to confirm participation as a chaperone on this trip.

Sincerely,

Connie Hurley  
6<sup>th</sup> Grade Earth Science-UPREP  
[churley@shusd.net](mailto:churley@shusd.net)  
530-245-2790 ext. 46131

I am interested in chaperoning the Shasta Caverns field trip.
