

# Cell Phone & Electronics Permission Request

## 2017-2018

U-Prep students may have cell phone/electronics on campus with permission of their parents, if they agree to the following restrictions:

- Use of cell phones/electronics is restricted to before school, after school, between classes, and at lunch. Students who need to contact parents at other times may use the office phone.
- When students are ill they **must** go to the nurse's office or the main office. They are **not** to phone parents to come pick them up.
- Cell phones/electronics are **not** to be on during class unless its use is under the direct guidance of a teacher for instructional purposes.
- The school assumes no responsibility for lost or stolen cell phones/electronics.
- Students who violate these rules will receive a consequence according to the school discipline plan. Note: Students who do not follow these rules lose the privilege of having cell phone/electronics on campus.
- Students who use cell phones/electronics without permission to text during class, take pictures and/or videos of other students without their permission, or have their cell phone/electronics out in the locker or rest rooms may immediately lose cell phone/electronic privileges and face disciplinary action.

Please list all electronic devices that the student will potentially bring on campus. This information will assist administration in the event any electronic device is lost or stolen.

All students must have a cell phone/electronic contract that includes the cell phone number for permission to use a cell phone at school. Contracts must be renewed annually. I have read and agree to the rules regarding the usage of cell phones and electronics at University Preparatory School.
