

The U-Prep Counseling Center is excited to introduce Naviance, a web-based service that provides students and families with a variety of features, one being Naviance Student.

Naviance Student allows your student to:

- **Get involved in the planning and advising process** - Build a resume, complete online surveys, and manage timelines and deadlines for making decisions about colleges and careers
- **Research colleges** - Compare GPA, standardized test scores, and other statistics to actual historical data from our school for students who have applied and been admitted in the past
- **Research careers** - Research hundreds of careers and career clusters, and take career assessments
- **Create plans for the future** - Create goals and to-dos, and complete tasks assigned by the school to better prepare your student for future college and career goals.

Naviance Student also lets us share information with you and your student about upcoming meetings and events, local scholarship opportunities, and other resources for college and career information.

Parents can register by visiting

<https://student.naviance.com/univprep>. You will need to click on "**I need to register**". Your registration code is your students ID number with a p10 added for mom and a p11 for dad. For example: 123456p10. You will then be prompted to set up your username and password.

Student login information below:

Username: Student ID number

Password: Chromebook password
